Dear Mr. Voisin:

On behalf of the Department of State, I wish to express to you sincere appreciation for the invaluable contribution you have made towards fostering a better understanding in Iceland of the artistic achievements of the United States.

The American Legation at Reykjavik has advised the Department that your performances were well received by the public and enthusiastically reviewed by the press. The post stated that your visit was a success in every sense of the word and that you are a truly fine artist and an excellent representative of the United States as well.

Sincerely yours,
